Boucle d'or - Les contes classiques Nathan		Primary	Paid	iPad

C Exquis - Le jeu du Cadavre Exquis	Amusing game invented by the Surrealists, now on your mobile device. Play with your friends, adding parts of a sentence in sequence, shaking the device between each addition to hide the earlier parts of the sentence. Strange, and often oddly poetic results, which you can publish to Facebook.	Secondary/ HiEd	Paid	iPhone
Conjugaison	J'aime, tu aimes, il aime... The app provides a database of 6000 French verbs with their conjugations. Verb conjugations are displayed in elegantly formatted tables. Scroll the alphabetical list of verbs, use the vertical alphabetical index, or type the first letters into the powerful search engine to find the verb you want to conjugate!	Universal	Paid	iPhone
Conjugeur2	A very handy conjugation database, which doesn't require internet access. More than 9 800 verbs are included, alphabetically listed, with a search engine. Also contains a database of the main spelling and syntax rules of current usage. Useful for a sudden moment of doubt about a conjugation.	Universal	Paid	iPhone
Dictionnaire de français	Mobile consultation of one of the major French dictionaries published by Éditions Larousse. Whether it's to check a spelling, a conjugation, to find a definition, a synonym or a citation, this dictionary meets all your everyday needs. 90 000 words, more than 135 000 definitions, and 6 000 practical articles on difficult areas.	Universal	Paid	iPhone
Dictionnaire L'Internaute	Six French dictionaries are united in this app. Includes French language, synonyms, expressions, conjugation, citations, and a historic dictionary. More than 45 000 words and expressions, and a powerful combination of different perspectives make this a handy app for anyone using the French language.	Universal	Paid	iPhone
